Message from Mrs McDonald

Dear Parents/Carers,

As we approach the end of another academic year, I wanted to take this opportunity to share some remarkable achievements that our school community has accomplished, all thanks to your invaluable support and the dedication of our wonderful children and fantastic staff team.

First and foremost, I am proud to announce that our recent Ofsted inspection went very well and we are really pleased with the outcome for the school. Unfortunately, I can't say much more than this until the report is published in September. However, I would like to take this opportunity to thank the children and staff for their unwavering commitment and also the hard work of our entire school community. I extend my heartfelt thanks to all of you for inspiring excellence for all and fostering a nurturing learning environment for our children.

Secondly, I am thrilled to inform you that our school has made substantial progress in our efforts to become a plastic-free school. Through numerous eco-friendly initiatives and the collective efforts of our STEM ambassadors, we have significantly reduced our use of single-use plastics. This achievement highlights our commitment to creating a sustainable future and cultivating responsible global citizens.

Lastly, I want to celebrate the outstanding achievement of our school in being awarded the Primary PE Gold Mark. This esteemed recognition showcases the dedication of our sports department and the remarkable talents of our students in excelling in physical education and school sports. We are dedicated to promoting a healthy and active lifestyle for our students, and this accolade is a testament to our commitment.

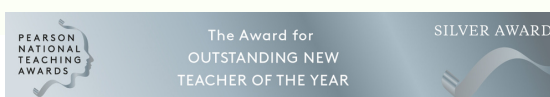

In closing, I would like to express my deepest gratitude to you for your continuous support, collaboration, and trust in our school and its endeavours. Without your unwavering commitment and involvement, these accomplishments would not have been possible. Let us together celebrate these achievements and use them as a source of inspiration for continuous growth and development.

As we look ahead to the forthcoming academic year, I encourage all parents and carers to remain actively engaged in your child's education. Together, we can maintain our school's success and ensure an even brighter future for our children.

We look forward to seeing you all back at school on Monday 4th September at the earlier time of 8:25a.m. Please note that there will be no breakfast club or Friday afternoon club during the first week back in September. Breakfast club will reopen on Monday 11th September. Please ensure that you sign your child/ren up for breakfast club during the first week back at the office. These will be allocated on a first comes first served basis and you will be informed should you be put on the waiting list.

Wishing you all a restful and rejuvenating summer break.

Mrs McDonald

Another wonderful half term at Carlton Mills...

Staffing announcement

With great sadness, we say goodbye to Miss Rahim who has been successful in getting a promotion at another school. We wish you all the best in your career and thank you for everything that you have done for the children at Carlton Mills during your time here.

Well done to Team Phoenix who have proudly won this years' first Team Point competition. They have been great competitors all year!
